*Required Information to Accompany Application and Fee Schedule on reverse side

Required Information to Accompany Application:

1. Copy of a legal boundary survey drawing with written survey descriptions and acreage. At least one permanent survey reference monument should be in place and noted on the legal survey drawing. Basis of the survey bearings must be clearly stated. If the survey is dated and no monuments have been recovered, an accurate location map based on aerial photography must be submitted along with the survey description.
2. Your signature on this application serves as a *CONSENT TO ON-SITE INSPECTION* if one is needed.
3. A preliminary map showing the locations of planned entrance roads from existing public or private roadways, public right-of-ways, and overall project layout.

Optional information:

1. Any other information that may be helpful such as soils investigation maps, photos, or narratives regarding the project.

Fee Schedule:

A fee of \$500 for the first 5.0 acres and \$250 per additional acre evaluated will be charged. Payment is required to initiate the 30-day processing period. Please note that this is a nonrefundable payment. Please make checks payable: *Ogle County SWCD*. Application revision 6-13-2024.

Where to Submit Applications:

Applications, payments (cash or check), and all other required information must be dropped off at our office located in the USDA Service Center; 1213 Pines Road in Oregon, Illinois. Please call our office at (815) 732-6127 extension 3 if you have any questions.
